

# END THE BLOCKADE

## Join us and Stand with Cuba!

It is time to bring civics to our campuses.

Foreign policy issues are critical. We can provide the information about Cuba that helps to make intelligent and persuasive arguments about why U.S. anti-Cuba policies must be reversed immediately. Contact The Cuba Si NY/NJ Coalition's Speakers Initiative for your next planned faculty meeting, student orientation, Teach-In, Speak-out, or Student Club events.

# Bringing the Truth About Cuba to Our Communities

What you will find within the Cuba Si NY-NJ Coalition's Speakers Initiative

## Leading speakers

in the field of U.S.- Cuba relations and policy can provide analysis and insights to your events, explaining how the impact of more than 65-years of a punitive economic blockade undermines Cuba's sovereignty and the nation's Sustainable Development Goals.

## Legal Experts

can provide context and examples of U.S. violations of international law and the illegality of the Trump administration placing Cuba on the State Sponsors of Terrorism List (SSOT) which the Biden Administration had maintained.

## Representatives from the Cuban Mission to the United Nations (UN)

can provide context and examples of U.S. violations of international law and the illegality of the Trump administration placing Cuba on the State Sponsors of Terrorism List (SSOT) which the Biden Administration had maintained.

## Hear Students

and young activists from various community and grassroots organizations who can share in teach-ins, panels and other formats first-hand knowledge and experiences acquired because of interactions with Cuban society.

## U.S. Doctors

educated in Cuba on the comprehensive scholarships awarded by Cuba and trained at the famed Latin American School of Medicine (ELAM) in Havana can discuss Cuba's exemplary medical system, and how the U.S economic war is impacting in a devastating way.

## Clergy members

are available to discuss faith-based freedom in Cuba.

## Cuba Solidarity Activists

in the NY-NJ Metropolitan area can provide direct information on how to create and/or continue organizing campaigns to support the Cuban People, through travel brigades, material aid campaigns, providing information on the various active projects, while also demonstrating to the world the deadly consequences of Cuba's placement on the U.S. SSOT list.

## Videos and Films about Cuba, and by Cuban film makers,

including the award-winning documentary Cuba in Africa, for film screenings and other campus events.

## Exchange interactions

with members of the CUNY Professional Staff Congress (PSC), or other activists and organizations who crafted and led the movement that culminated in the passing of the January 2023 resolution, and the New York City Council Res: #2085 in June 2023.
